

June 7, 2019

You may have seen reports that one of our physicians, Dr. Renner, has been accused of sexual assault.

As Prosecutor Musella stated Friday, June 7<sup>th</sup>, the charge is an accusation and Dr. Renner is presumed innocent until proven guilty beyond a reasonable doubt. While our justice system is founded on the presumption of innocence until proven guilty, patient safety and care are paramount to Heights Medical Associates and Osler Medical Group. As such, we have a zero-tolerance policy for such issues. In accordance with our policy, this physician was immediately suspended from practice at Heights Medical/Osler Medical Group until this matter is decided.

Heights Medical Associates is proud to have provided care for the people of Bergen County for 40 years and we look forward to providing care to the families of Bergen County for years to come. For additional questions, please feel free to contact Lara Scolpino at [lscolpino@oslernetwork.com](mailto:lscolpino@oslernetwork.com) or by calling 201-426-6526 extension 700.
